A student may only be excused from curfew if an overnight/off-site permission form has been received. A student missing curfew will be dismissed from the program unless permission by parent or guardian has been granted to be away from the residence overnight. This form must be completed and submitted to the Dean of Students Office on or before JULY 1, 2016.

If a student has been given permission to be away from the residence overnight, a NYSID Resident Advisor will follow up with a confirmation phone call prior to the night the student plans to be away. A parent or guardian must be available to speak with the RA to confirm that the student has permission, where the student will be staying and when the student will return to the dorm.
