International Student Application Information

Thank you for your interest in the New York School of Interior Design. Please carefully read the following information regarding Non-immigrant F-1 Student Visa status details at NYSID.

With the application, please provide a copy of your passport.

NONIMMIGRANT F-1 STUDENT VISA STATUS

An F-1 student visa is given to nonimmigrants whose purpose for being in The United States is to study full-time. Students that will study with NYSID will need to apply for and receive a Form I-20 from the school before they can obtain an F-1 student visa outside of The USA at an American Embassy/Consulate.

A Form I-20 is a government document issued by NYSID which certifies your eligibility to study with us.

In order to obtain a Form I-20, one must meet all admission requirements, be accepted for a full course of study, show that he/she has enough funds to study and live in The U.S., and submit the I-20 application.

NOTE: Citizens of Canada and Bermuda will also need to obtain an I-20, but are not required to apply for a student visa.

PROOF OF FUNDS

The student applicant must be able to prove that he/she will have the financial support to cover minimum annual expenses for an entire year of the program of study. Although we only require proof of funds for one year, be sure to have enough funds available for the entire length of the academic program.

SELF FUNDING: If the student will be responsible for funding his/her schooling, the student must provide bank statements in English that can cover one year of full-time study. You must also provide a plan for how you will fund the duration of studies beyond the first year.

FAMILY/FRIEND SPONSOR: If a family and/or friend will be providing financial support for the student, the sponsor must provide financial information in English that can cover one year of full-time study. The sponsor must also provide verification of income from employer on letter head or tax returns/receipts as evidence of sufficient funding to cover the remaining year(s) of promised support, and an affidavit of support letter (Page 6).

ORGANIZATION SPONSOR: If an organization will be providing financial support for the student, the organization will need to provide a promise of sponsorship on the organization’s letterhead including the specific duration of sponsorship and guaranteed dollar amount for the duration of financial support.

Financial sponsors should submit original funding documents which will be returned with the Form I-20. Bank statements must be less than one year old with dollar amounts indicated. Income from investments and property should appear in bank accounts. Retirement accounts are not accepted.
